\*\*\*\*\*UPDATE\*\*\*\*\* PLEASE READ CAREFULLY\*\*\*\*\*

OKC PAINTING PALOOZA prefers submitted projects to be new, however it is not required. We do require that the project not be taught within 12 months prior to the OKC event. Keep in mind previously taught projects, whether in person or online, will potentially reduce your number of convention students. Variations of the same design being taught or advertised before Palooza will also affect your class numbers.

Cancellation of Classes: If you should cancel your class(es) for other than less than 5 students, you will pay a penalty of \$8.00 per registered student for each class. You must contact Darla at 405 203-0991 to cancel.

ATTENTION - Colored Pencil Educators, when submitting to OKC Painting Palooza, do not include the price of the pencils in your supply cost. State on your form - 'Pencils are not included!' A note will go in the catalog and online, that a list of pencils required will be posted in the back of the catalog.

Furthermore, I agree that in the case of any suit for copyright infringement arising out of the work herein submitted, I will assume responsibility and cost for the defense of said suit and hold Berotu, LLC innocent of any act of infringement. I hereby agree to teach the projects accepted by Berotu, LLC to abide by the rules and regulations above. I grant permission to publish all projects accepted in the OKC Painting Palooza brochure and on the okcpaintingpalooza.com website and other advertising venues.
